TERMS & CONDITIONS FOR HIRING OF PACKAGING STATION:-

1. Offered Packaging Station should be set up on a land not less than 30000 Square Feet and having adjacent road of minimum 25 Feet width.
2. The Packaging Station should be ready for operation at the time of awarding the contract.
3. The Packer has to standardize, process, pack according to requirement, store, supply as per challan, receive empty crates, clean return crate etc. to maintain steady supply of milk & milk products from the plant as per requirement.
4. **Minimum Guarantee for volume of milk packing job contract is to be considered at 15000 Liters per day and 1000 Kg per day for Sour, Curd and Lassi .**
5. The Packaging Station must have all the arrangements (including plant/equipment/machinery/manpower for processing & standardization, custom packing of at least 4 varieties of liquid milk in poly packs of half litre and/or one litre or any other pack at your works. BHAGIRATHI agrees to get these types of milk packed from you for the purpose of sale/delivery of the same to our authorized units / parties / persons nominated or sale outlet through our Distributors etc.
6. The Capacity for processing and packaging of liquid milk should not be less than 50,000 litres per day (lpd) and there should be provision/space for further expansion up to 80,000 lpd in future.
7. The packed milk should be stored in the cold store maintained at 5°C or less to assure that the temperature of milk pouch is less than 6°C during dispatch.
8. The milk for packing shall be sent to packaging station for which proper accounts shall be maintained by packaging station. While accounting for recovery of FAT & SNF, BHAGIRATHI would allow packaging station actual processing loss of FAT/SNF while handling milk subject to maximum limit of 1% each for total FAT and SNF, dispatched in the market on monthly basis along with bill towards processing/handling which can result for successful packing and delivery of milk to the entire satisfaction of BHAGIRATHI. Any other loss beyond the limit during reception/handling, storage and processing/packaging of milk over and above the prescribed limit would be your personal responsibility and on account of packaging station.

9. Packaging station shall maintain FSSAI regulations and its provisions related their under, for ensuring good manufacturing practice, plant hygiene and house-keeping, as applicable.
10. It shall be mandatory on the part of packer to allow BHAGIRATHI to print the words manufactured, processed and packed by M/S _____ & FSSAI No. allotted to packaging station.

Also it shall be mandatory on part of packaging station to print “use by date”, “Maximum Retail Price”, USP and batch/code no. marked on each pouch for its traceability. In case, there are complaints of underweight pouch, bad quality processed and packed milk or presence of adulterants & preservatives, foreign particle in milk processed and packed by packaging station, the entire quantity of milk supplied to market will be rejected and the loss shall be borne by packaging station. The decision of The Managing Director, BHAGIRATHI shall be final & binding for imposing any penalty thereof.

11. Packaging station has to custom pack and deliver the agreed quantity and varieties of milk to its representatives from time to time and shall be responsible and liable to strictly comply with the provisions / requirements of the Prevention of Food Adulteration Act, 1954 / FSSAI and the rules framed there under as applicable from time to time being processors and packers of Bhagirathi Milk.
12. The varieties of milk shall inter alia always contain 0.05% FAT and 0.05% SNF over and above the minimum statutory requirement of Fat and SNF as laid down under the provisions of the said Act and Rules. The minimum MBRT (Methylene Blue Reduction Test) time for packed milk delivered should be 6.00 hours. SPC (Standard Plate Count) should be less than 30,000 per ml, coliform should be nil, Phosphatase Test should be negative and temperature of packed milk delivered is not more than 5^oC in pouches.
13. Packaging Station shall be responsible and liable to ensure that the requirements relating to packaging net quantity of milk contained in one litre, half litre and other size of poly pack shall be strictly in accordance with the provisions/requirements of the Standard Weight & Measures Act, 197 and the Rules framed there under time to time or any other Act & Rules as applicable from time to time. The packaging station will be solely responsible for any legal complications arising due to complaints of underweight pouch from the market.
14. The Packaging should have standard CIP system, effluent disposal system to ensure compliance of Pollution Control Norms and hygienic environment as per norms complying FSSAI Standards.

15. Packaging Station will engage/depute only qualified and trained technical staff for processing and packaging of Milk so as to ensure the proper quality/quantity norms etc., as per PFA/FSSAI and Weight & Measures Act and also nominate one of his person as nominee under the provisions of PFA/FSSAI.

16. Packaging Station shall also ensure that office space and laboratory facilities for testing of milk are adequate to the satisfaction of our technical person(s). Laboratory equipment and testing material would be provided by packaging station free of cost. The testing methods & equipment will be adopted as per the BIS standards for testing of milk, etc.

17. Adequate arrangement and space should be there for loading and unloading of Road Milk Tankers of 20000 Lt Capacity and for Dispatch vehicles at the Packaging Station.

18. The requirement of milk in poly packs by the BHAGIRATHI shall be intimated to packaging station in advance by the Sales office or any other office/person nominated by BHAGIRATHI from time to time. Packaging station shall guarantee to pack indented quantity. The schedule of delivery timing will be communicated to packaging station from time to time as per market requirements of morning as well as evening supply, which shall be adhered to strictly. In case the packer fails to fill the required quantity in time the BHAGIRATHI may impose the suitable penalty.

19. Packaging station will not under the circumstances whatsoever, sell/market milk in poly packs with the logo of BHAGIRATHI design similar to BHAGIRATHI either directly or indirectly to any other organization or any person. The Packaging Station will not pack its own milk or for any other party under any other brand during the currency of this agreement without prior written permission of BHAGIRATHI.

20. The packing station will pack the milk in poly film provided by BHAGIRATHI. Packer will be responsible to deliver only good pouches to distributor/transporter without any kind of leakage/defect. In case, the leakage observed/found to be on higher side, suitable penalty will be imposed on the packing station.

21. In case packaging station fail to delivery milk poly packs to the distributor/representative/nominee of BHAGIRATHI in time resulting in refusal by the retailers/distributors of the booths and/or sale outlets in accepting the specified quantity of milk in poly packs or if the said retailers accept less quantity of milk in poly packs than the specified quantity, the milk so returned by the retailers shall be delivered back to the packaging station and Union shall not make any payment whatsoever in respect of the quantity of milk so returned to packaging station. Loss of film/milk shall be borne by packaging station.

22. Packaging station shall comply with all the legal and other requirements as per Factories Act, FSSAI, Water & Air Pollution Act etc. and any other statutory requirement at own cost in connection with running the plant for processing and custom packing of milk into poly packs and supplies of milk in poly packs or matters connected therewith or incidental thereto.

23. It shall be liability and responsibility of packaging station to comply with the statutory and administrative requirements in relation to or concerning the employment of staff in connection with processing and packing of milk in poly packs. All such employees so deployed by packaging station shall not be the employees of the BHAGIRATHI either directly or indirectly. There is no primitives of contract between the said staff and the BHAGIRATHI and they shall not be entitled to any claim or recover any benefit whether monetary or otherwise whatsoever or any account from BHAGIRATHI nor BHAGIRATHI shall be liable to make payment in respect of such claims. For all intents and purposes, packaging station shall be the principle supplier and employer of the employees working over there.

24. Packing Station will maintain proper records as specified and prescribed by the BHAGIRATHI from time to time and will make them available as and when required by the officials for inspection or retention for any duration.

25. Packaging Station will keep all its machinery, DG set and fixtures in proper working conditions at all times so that the regular and uninterrupted supply of milk in poly packs is maintained.

26. Due to the reason beyond the control of packaging station i.e. riots, natural calamities, fire strike, lock out, lay off, non-availability/inadequate availability of milk, etc., if no supply of milk in poly packs is made to the distributors/ transporters/ representative/nominee of the BHAGIRATHI on any day or number of days, information to this effect immediately be conveyed to the BHAGIRATHI in writing justified the reasons.

27. If packaging station commit breach of any of the terms and conditions of this agreement or any way act against the interest of the BHAGIRATHI or act in any manner which may adversely affect business or reputation directly and indirectly or commit any action which is incompatible to above terms, BHAGIRATHI may terminate the filling/hiring agreement forthwith without any notice and without any compensation, damages, etc. without prejudice to above the BHAGIRATHI shall have the right to recover from the packaging station the extent of losses incurred.

28. Packaging Station would provide storage room for safe and hygienic storage of milk packing film, crates, milk powder and other ingredients and packing materials which are require for processing, standardization and packaging of milk and milk products.

29. In case BHAGIRATHI wants to start the manufacturing of indigenous products like Peda, Paneer etc., the packaging station will render all help, facilities, equipment for which unit manufacturing cost of each product will be decided mutually.

30. Packing Station will carry out quantity accounting of milk received from BHAGIRATHI & thereafter supplied (FAT &SNF) to distributor monthly basis. Any excess or less will be adjusted from/against monthly packaging bill.

31. If there is any statutory tax deduction at source or otherwise on charges/amount payable to packaging station that will be deducted as per statutory rates, applicable from time to time.

32. The milk in pouches shall be supplied by packaging station to the Distributors/ representatives/nominees in crates after sorting out the leaky and defective pouches at the time of dispatch daily.

33. This custom packaging arrangement shall be for the period of three (3) years from the date of signing of the agreement or from the date as mentioned in Work Order.

Provision for Rate Revision: Rate of milk packaging shall only be considered after completion of 1 year contract for revision in case of escalation of energy charges, Annual Energy Price Index by Ministry of Commerce, GOI and Govt. declared minimum wages for skilled/semi skilled and un- skilled labour. A ratio of 5: 2 shall be considered for Non Labour related Expenses: Labour Related Expenses. Minimum 10 % margin shall be considered on total value of conversion charges.

Example: Conversion Charge of 15000 Lit x Rate per Lit ₹ 2.2 = ₹ 33000
Less 10 % Margin = ₹ 3300
Non Labour Expenses will be = ₹(33000-3300)*5/7 = ₹ 21214
Labour Expenses will be = ₹ (33000-3300)*2/7 = ₹ 8486
If Average energy charge hike is 2 % and minimum wage hike is 3 %
Revised Non Labour Expenses will be = ₹ 21214*102/100 = ₹ 21638
Revised Labour Expenses will be = ₹ 8486*103/100 = ₹ 8741
Revised Total Expenses will be = ₹ (21638+8741) = ₹ 30379
Revised Total Conversion Charge/15KL = ₹ (30379*100/90) = ₹ 33754
Revised per lit conversion Charge = ₹ (33754/15000) = ₹ 2.25

34. The payment in respect of the quantity of milk in poly packs supplied to the Distributors/ Transporters/ Representatives/ Nominee of the BHAGIRATHI shall be made to the packaging station by the BHAGIRATHI as per the quantity of milk in poly packs supplied to the Distributors/ Transporters/ Representatives/ Nominee of the

BHAGIRATHI from 1st to the last day of the month within 07 working days of receipt of the bill.

35. In case of any dispute or difference shall at any time arise between the two parties (i.e. BHAGIRATHI& Packaging Station) in respect of or concerning anything herein contained or arising out of above arrangements or as to the rights liabilities or duties of the said parties hereunder or as to the recovery of any amount, the same shall be referred to the sole arbitration i.e Chairman / Special Officer of the BHAGIRATHI, Murshidabad or any authorized representative on behalf of them. The decision of the Arbitrator shall be final and binding upon both the parties. Jurisdiction for this agreement would vest with the Courts situated at Murshidabad only.

36. Bhagirathi reserves the right to accept/reject any or all offers submitted or cancel the entire process at any point of time without assigning any reason thereof.

37. One selection, the plant owner has to execute an agreement on Non-Judicial Stamp paper of Rs.100/- which shall be supplied by the plant owner.
