The Bhagirathi Cooperative Milk Producers' Union Ltd., was established in the year 1974, under the "Operation Flood Programme" as a Cooperative Society and is registered under West Bengal Cooperative Societies Act and Rules. The main objective of Bhagirathi Milk Union is bringing about socio-economic transformation of the rural masses through organizing Dairy Cooperative Societies in the district of Murshidabad. Over a period of 44 years, the Bhagirathi Milk Union has been able to infuse a new life in the cooperative movement of the West Bengal, ensuring democratic functioning of the cooperatives such as members' involvement in decision making process, to promote thrift, self-help and mutual aid, involving womenfolk and also to provide for transparent, devoted and efficient management and services relevant to the needs of the cooperatives. The operational area of the Union is entire Murshidabad district which covers 26 blocks.

Range of Products of Bhagirathi Milk Union

Our supply consists of exclusively cow milk obtained from good quality cattle and our effort is to bring fresh unadulterated cow milk to the doorsteps of the consumers. During the processing of the raw milk supplied to us by the farmers we pasteurize and homogenize and as well as maintain originality and purity of the cow milk. Our main objective is to supply fresh dairy products to the consumers within a reasonable cost.

DRAFT AGREEMENT

THIS AGREEMENT is made on this day of At Berhampore between (1) *"The Bhagirathi Co-operative Milk Producers' Union Ltd"*, having its registered office at Berhampore in the state of West Bengal.

AND

(2)(hereinafter)

Referred as the Transporter having permanent address at

..... (which expression shall, unless it be repugnant to the subject or context thereof, include its successors and assigns).

AND WHEREAS, The Milk Union is interested to hire transport vehicles of different carrying capacity for collection as well as distribution of milk, milk can, cattle feed, milk product and other relating materials from its Dairy Cooperative Society / operational areas to Feeder Dairy and Feeder Dairy to Dairy Cooperative Society/operational areas.

AND WHEREAS, The Transporter has agreed to provide and operate his vehicle having carrying capacity of ltrs. of milk with equivalent no of Cans, each Can carrying 40litres of milk & weight of one can is approximately 6.5 Kg for transportation and Collection of milk ,milk cans ,from Dairy Coop. Society as well as other distribution of milk and milk products produced and marketed by the Milk union in the same route/ operational areas.

Route Namedin consideration of per kilometer rate of Rupees(Rupees.....only) per under the terms and conditions mentioned hereinafter.

NOW THEREFORE THIS AGREEMENT WITNESSES AS FOLLOWS:

Terms and Conditions:

1. The Transporter(for the mentioned route) will be liable to collect and hand over the milk, milk products, Milk cans, milk testing equipments along with materials etc to the said Dairy Cooperative Society .The contract will be valid from _____to_____ and The Transporter will be liable for providing the service for the stipulated time period.

2. At the time of collection the transporter should record of the quantity of filled milk cans at union supplied format and it will be submitted to Union office in time. The transporter should also deliver the report of received milk from Dairy Cooperative Societies (Truck Sheet).
3. During the contract period, if the cost of fuel increases/decreases, by following the conventional rules of the Union, the Union will be liable to pay to the Transporter by increasing/decreasing the accepted rate per kilometre as per example provided below. Except the above mentioned point no change in per kilometer rate will be entertained during the contract period.

The payment for increase or decrease in fuel rate will be considered only if the average (monthly) rate of fuel increased or decreased by more than 50 paise per litre. The transporter has to produce an extra bill mentioning the extra amount due to the enhancement in fuel rate as well as in case of decrease in fuel rate, deduction will be done accordingly from the monthly bill of the transporter. The deducted or enhanced rate per kilometer will be calculated as per illustration given below :

For change in retail diesel price effective at Berhampore, the consumption of diesel for different carrying capacity vehicle will be considered as below.

Can capacity of vehicle	Fuel consumption per litre
150	7 km.
80 to 100	8 km.
50 to 60	10 km.

Illustrated example

If approved based rate during diesel rate Rs 70/- is Rs 15.00/Km for a route of 150 Km. If price of diesel is hiked by Rs.3/- . For a 80 to 100 can capacity vehicle, the calculation is as follows:

Diesel consumption for the vehicle = $(150/8) = 18.75$ liter.

Increase in expenditure = $(18.75 \times 3) = \text{Rs. } 56.25$

Increase in rate/Km = $(56.25/150) = 0.375$

New per Km rate = $(15+0.375) = \text{Rs. } 15.375/\text{Km}$

If approved based rate during diesel rate Rs 70/- is Rs 15.00/Km for a route of 150 Km. If price of diesel is decreased by Rs.3/- . For a 80 to 100 can capacity vehicle, the calculation is as follows:

Diesel consumption for the vehicle = $(150/8) = 18.75$ liter.

Decrease in expenditure = $(18.75 \times 3) = \text{Rs. } 56.25$

Decrease in rate/Km = $(56.25/150) = 0.375$

New per Km rate = $(15-0.375) = \text{Rs. } 14.625/\text{Km}$

This will be over & above existing rate.

3. The transporter shall carry the Milk, Milk Cans, Cattle Feed, Milk Testing Equipment, Letters, and Documents of Bhagirathi Milk Union according to the Time Table from pickup point to deliver the materials to the address/consignee/Milk Union or any other place as per instruction. If necessary the Transporter shall carry the Milk or Milk Product from Dairy to Agent/Society as per instruction of Milk Union to follow the Route & Time.
